The President's Message

Greetings Ladies:

Your GWC Board and I sincerely hope that, in these unusual times, all of you are healthy, staying positive, and enjoying the summer.

I am really looking forward to our September 1st General Meeting. We will follow the same safety precautions as at our June 23rd meeting. Please try to attend as our 2020-2021 Yearbooks will be distributed. It will also be an opportunity to not only visit with all of our great members but learn more information about our Open-Air Fashion Show on October 15th. (Please note change of date)

My special thanks to all of the officers, committees, and department chairs who continue to work on events and plan for our Club year. I know it has been a challenge, but your efforts are truly appreciated.

You are being asked to bring a minimum of three food products (cans, cereal, pasta, rice, etc., No glass jars.) to our September meeting for Shepherd's Pantry. If you can help us out, you will be given a drawing ticket for a prize, donated by Pam Drennan.

The need for food is so great right now and what better way to express our appreciation for all that we have by helping others. Monetary donations are also welcome. Just give to Gloria Liddle.

Take Care and Stay Safe.

Chris

Ways and Means

New Unto Others: They will no longer be picking up large items unless it's a truck load (for instance estate sale, etc.). Because of the percentage of the sale we receive, the cost of the truck and manpower is too high.

Due to Covid 19 we will not be asked to sort until sometime next year, but they will still be giving us 40% of what the items are sold for! This is a great fundraiser for us so please be sure the items that you donate are in good condition, so that we can make the most amount of profit. And remember to tell them it's for Bin 14 when you drop items off.

Fashion Show: Due to the gathering restrictions, we are planning on having our Fashion Show in October outside on the South side of the clubhouse. The date will also be changed from the 13th to the 15th of October. The noise level is just too high on Tuesdays from all of the gardeners working on the houses across the street. We will be using either canopies or umbrellas to provide shade. The date to finalize our plans for the fashion show is Wednesday, AUGUST 19th at 10:00. We are hoping to be able to accommodate the 60 reservations already made but won't know until after the meeting whether we can take more reservations. We are going to do everything possible to make this a beautiful and fun event!

We will keep you updated, and if you have any questions please feel free to call or e-mail me or co-Chairman Sylvia Jimenez.
